RCMP

- * Enforcement by OPS continuing 97 criminal investigations opened
- * There are around 348 RCMP in members on NCR within mandate. 266 resources have also been identified to support OPS mandate. Looking to add 200 additional resources.
- * We need to see enforcement plan
- * RCMP/OPP have created integrated planning cell for enforcement. It will tell us where those additional resources should go.
- * NO additional plans to provide resources until it is clear how they will be used
- * In Alberta, an Article 9 request has been sent in and will be drawing in additional resources
- * 500 trucks are still on the downtown core
- * Ongoing protest in MB legislature
- * Still a number of commercial vehicles lining northbound traffic.
- * Traffic is now flowing again in one lane
- * 170 vehicles at checkpoint.
- * Ongoing protests at ambassador bridge,

Rob

- * Modest change overnight. Some officers were given breaks after 4 days without a day off
- * Police are dealing with issues of women and children being in group to prepare for harder tactics.
- * Number of threats on support systems, such as phone bombing 911, saying there was a hostage situation
- * Enforcement plans are delayed until they have a final picture of the numbers
- * Trying to communicate better resources with provincial resources on licensing and flow of funds

s.39

Radey Barrack
Director of Operations

Office of the President of the Queen's Privy Council for Canada and Minister of Emergency
Preparedness
